

# EFFLOCK™ Efflorescence Topical Treatment

*An eco- friendly efflorescence treatment to reduce efflorescence from occurring or reoccurring.*

TECHNICAL DATA SHEET ISSUE DATE 22-May 2015

EffLock™ Topical Treatment is a ready-to use water-based solution that is designed to react with efflorescence and impurities, purging them from the cementitious surface. The reaction converts some of these impurities into harmless matter to reduce future occurrence of efflorescence. EffLock TT can be used on all cement types and ingredients, including lime, calcium, alpha and beta gypsum, fly ash, volcanic ash and hydraulic cement. Remove existing efflorescence with EffLock Efflorescence Remover before treating concrete with EffLock Topical Treatment.

## Common Applications

- Concrete Surfaces
- Metal
- Masonry
- Retaining Walls
- Water Features
- Grout
- Pre-cast Concrete
- and more!

## Benefits

- Use EffLock Efflorescence Topical Treatment to prevent calcium carbonate build up from concrete, masonry and metal surfaces.
- Will help prevent lime and hard water deposits, joint cement, cement grout haze, light mortar residue and rust
- Environmentally-friendly, non-toxic, non-hazardous formula
- 100% biodegradable

## Surface Preparation

- Test small area to determine suitability and dosage time and requirement
- Protect walls and adjacent areas.
- Saturate plants, shrubs, and grass adjacent to cleaning area with water before, during, and after use.
- Although product is safe and 100% biodegradable, if applicable, ensure that any product or rinse water runoff is properly contained as defined by local laws.
- Use protective clothing, rubber gloves and eye goggles when using.

## Application

1. EffLock™ Efflorescence Topical Treatment is intended to be used as provided. Test a small area prior to application over a larger area to assure effectiveness as supplied.
2. For concrete and masonry surfaces, clean the surface to be treated prior to application of the product.
3. Apply liberal amounts of topical treatment to the area.
4. Use a stiff bristle brush and work in topical treatment into the area and keep applying until the substrate will no longer accept Efflock Topical Treatment.
5. Efflorescence will purge from the surface. Mechanically remove the efflorescence and re-apply Efflock Topical Treatment to the surface.
6. Repeat steps 3-5 until the surface no longer effloresces.
7. In hot, sunny, or windy conditions, the product may dry prematurely. Re-apply as needed.
8. If used to treat other surfaces such as metal, apply over the surface and let it sit for a short while, then use a rag and wipe away excess.
9. When finished, let surface dry completely.
10. Stain or seal over surface, if desired.

## Warnings

**KEEP AWAY FROM CHILDREN AND ANIMALS.** Before using or handling, read the SDS and Product Instructions. **DO NOT CONSUME.** Avoid contact with eyes and skin. Wear rubber gloves, aprons and safety eye goggles. **DO NOT FREEZE.**

## Other Information

## Packaging

- 1 gallon (200 sq ft. per gallon)
- 5 gallon
- 55 gallon

## Storage

- Store in original container in areas inaccessible to children and pets.
- Keep containers tightly sealed.
- Do not reuse empty container. Rinse empty container and replace cap before discarding.
- Best to store the product at room temperature. **DO NOT** allow product to freeze.
- When stored well, shelf-life is at least 36 months.

## Limitations

- Do not use on acid sensitive / polished surfaces. May etch the surface.
- Do not mix with ammoniated cleaners.
- High mortar buildups are better dissolved with NewLook Mean Klean™ Concrete and Mortar Dissolver.

Warranty: NewLook International, Inc. EFFLOCK™ Efflorescence Topical Treatment is not intended for public use and are intended for use by licensed contractors and installers, experienced and trained in the use of these products. Product is warranted to be of uniform quality within manufacturing tolerances. The manufacturer has no control over the use of Product, therefore no other oral or written representation or statement of any kind, express or implied, now or hereafter made is authorized or warranted by NewLook International, Inc. or its affiliates, and NewLook International, Inc. and its affiliates hereby disclaims all such warranties, including those of merchantability or fitness for a particular purpose. In any case, the manufacturer's obligations shall be limited to refunding the purchase price or replacing material proven to be defective. NewLook International, Inc. shall not be liable for special, incidental, or consequential damages, including delays or lost profits. Communication of this warranty and its limitations to end users is not the responsibility of NewLook International, Inc. but should be communicated by those in direct contact with the end user. Any claim regarding product defect must be received in writing within thirty days from the date of purchase. No claim will be considered without such written notice or after the specified time interval. The end user shall be responsible for determining Product's suitability and assumes all risks and liability.
